**KQED Public Radio’s
HEALTH DIALOGUES
“The Food We Eat”**

WHAT: *Health Dialogues* (www.healthdialogues.org), a special monthly report airing as part of KQED’s statewide news program *The California Report* and hosted by Scott Shafer, engages listeners in an on-going discussion of California health care issues that are crucial to the state’s under-served population.

AUGUST 2009 TOPIC: The Food We East

Recent scares over tainted peanut butter and spinach exposed holes in our system of protecting the food supply. Join *Health Dialogues* as we explore how our food is inspected, what we’ve learned from recent recalls, and how the new federal regulations may have big loopholes.

WHEN: On KQED Public Radio 88.5FM San Francisco, 89.3FM Sacramento, Thursday, August 20 at 8pm, repeat broadcast Saturday, August 22 at 2pm, and on various public radio stations throughout the state:
