

Filmmaker Bios

For 20 years, **John Antonelli and Will Parrinello**, of The Mill Valley Film Group, have been producing award-winning documentary and educational programs for theatrical distribution, cable TV, PBS, syndication, and for an impressive list of corporate clients.

For the past four years, Antonelli, Parrinello and Tom Dusenbery have been Producer-Director-Writers on the environmental program **Global Focus: The New Environmentalists**. It won top honors at the Catalan International Environmental Film Festival in Barcelona, an Audience Award at the Woods Hole Film Festival, Best Short Documentary at the Turks and Caicos Film Festival, the Environmental Conservation Award at the CMS Vatavaran Environmental Film Festival in India and a Mion Environmental Film Award.

The film has also screened at the Aotearoa New Zealand Environmental Film Festival, EcoVision International Cinema Festival - Palermo, Sicily, Green Film Festival in Seoul, Korea, Kona Environmental Film Festival, Vermont International Film Festival, STEPS International Rights Film Festival - Kiev, Ukraine, Telluride Mountain Film Festival, Trento Mountain Film Festival, United Nations Film Festival, and the Wild & Scenic Film Festival.
