

NAVAJO WORD SCRAMBLE

Navajo Word Scramble

- Read the following clues about Navajos from the film Return of Navajo Boy.
- Unscramble the word by writing the correct spelling and then submit.

1

AHONG answer: _____

The name for the six- or eight-sided structure in which Navajo people live

2

LANC answer: _____

The term the Navajo people use for their family and extended families

3

AJAVNO answer: _____

The name for the most numerous Indian tribe in the United States, also known as the Dine'é people

4

GLNIVSHEMISRTI answer: _____

The craft the Navajo learned in the 19th century

5

AMNUUIR answer: _____

Mining of this substance on Indian lands has lead to devastating environmental pollution and human disease

6

TNMEUNOM LYALVE answer: _____

The area in which the family in Return of Navajo Boy lives

The words that are used here are in the English language. The Navajo, or Dine'é people speak their own language, which is an important part of their culture. Unfortunately their language and culture was eroded when their lands were taken and “settled.”

answers: 1. HOGAN 2. CLAN 3. NAVAJO 4. SILVERSMITHING 5. URANIUM 6. MONUMENT VALLEY
